

## Replacements For Pleasurecraft V8 Manifold & Riser

These OSCO Manifolds and Risers are direct replacements for original Pleasurecraft or Waukesha equipment on small block Ford V8 engines. They will accept all original gaskets and fittings. The improved designs of these OSCO Manifolds and Risers feature thicker walls and flanges for longer life, and larger water jackets for better cooling. Both come complete with all necessary pipe plugs.

**Riser** Part No. 29001. Replaces Pleasurecraft #R029001, etc.  
**Mounting Kit** Part No. 29001-MK. Includes #RM0002 gasket and mounting bolts.  
**Gasket** Part No. M0002. Replaces Pleasurecraft #RM0002.

**Manifold** Part No. 28001. Replaces Pleasurecraft #R028001, etc.  
**Mounting Kit** Part No. 28001-MK. Includes manifold to head gasket and mounting bolts.  
**Gasket** Part No. FL-GH. Manifold to head gasket.  
**Water Fitting** Part No. F68C9. 3/4" MPT x 1" hose, 90 degree elbow. Replaces Pleasurecraft #R024006A.

ORDER NO.	PRICE
OSC 29001	\$135.00
OSC 29001MK	\$10.50
OSC M0002	\$5.25

ORDER NO.	PRICE
OSC 28001	\$245.63
OSC 28001MK	\$20.75
OSC FLGH	\$10.00
OSC F68C9	\$11.25

## Replacements For Volvo

Fits all AQ models numbered 120, 125, 131, 140, 145, and 151, as well as all BB models #140 and 145, plus all other similar models. This improved design features a unique water jacket for better cooling, an unrestricted exhaust passage for improved performance, and a replaceable zinc pencil to minimize electrolysis. It is completely interchangeable with all original parts and fittings.

**Manifold** Part No. VO418. Replaces Volvo #'s 855387-7 and 834438-4, etc. Includes all pipe plugs and zinc pencil. Mounting kit part no. VO-MK. Includes mounting bolts and gaskets. Gasket part no. VO-GH (PK-4).

ORDER NO.	PRICE
OSC VO418	\$315.00
OSC VOGH	\$11.88

## Replacement for Volvo V8 Manifold & Riser

These OSCO Manifolds and Risers are direct replacement for the original Volvo equipment on small block Chevy V8 engines. They will accept all original gaskets, hoses and fittings. Note that some original Volvo risers require different size mounting bolts. Be sure to order the riser mounting kit if not sure which size you need. Both the OSCO Manifold and Riser have been internally improved to provide better cooling and smoother exhaust flow.

**Riser** Part No. 56879. Replaces Volvo #'s 855380, 855384, 856891, and 856879, etc. Includes all pipe plugs.

**Manifold** Part No. 5805. Replaces Volvo #'s 835804, 835805, 835806, and 856883, etc. Includes all pipe plugs.

ORDER NO.	DESCRIPTION	PRICE
OSC 56879	Riser	\$140.00
OSC 56879MK	Mtg. Kit	\$10.50
OSC 35908	Gasket	\$5.25

ORDER NO.	DESCRIPTION	PRICE
OSC 5805	Riser	\$212.00
OSC 5805MK	Mtg. Kit	\$17.25
OSC CVGH	Gasket	\$11.25
