

Stern Drive Cover

- Works as an anti-theft device allowing storage of the outdrive in a safe place.
- Guards against small rodents and other unwanted intruders.
- Forms a dust free shield against foreign particles which may damage internal components.
- Allows water and moisture to drain from the unit.
- Includes bracket which holds power trim cylinders firmly in place.
- Made of rugged styrene.
- Easy to install.

RM1001 Fits Mercruiser No. 1 and Alpha Drives.

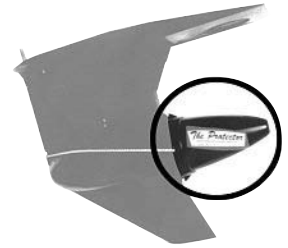

RM1003 Fits Mercruiser Bravo Drives.
