

Fuel Filter/Water Separators Spin-on Fuel Filter/Water Separators

The best way to protect smaller diesel and gasoline engines is the compact Spin-On Series. The units incorporate primer pump, check valve, self-venting drain, and optional water sensor and heater. Like all Racor filter/separators, units are available with U.L. listing and USCG acceptance.

Spin-On Series Fuel Filter/Water Separators

Model #	120	220	225
Max. Flow Rate	15gph	30gph	45gph
Max. PSI	7	7	7
Height	5.7"	8"	9.5"
Width	3.2"	4"	4"
Depth	3.2"	4"	4"
Weight	1.32 lbs	1.75 lbs	2 lbs.
Element #	R12	R24	R26
			Coalescer
Dirt Capacity	49.5gm	80gm	117gm
(Soft C-2A)			
Dirt Removal96% at 2 micron w/ A.C.F.T.D....		
Water Removalless than 10 ppm free water in effluent....		
Efficiency			
A.C.F.T.D.	30gm	36gm	16gm

•For diesel and gas applications with maximum working pressure of: 110 - 100 psi; 120 - 15 psi; 220/225-7 psi				

Spin-On Series Gasoline Fuel Filter/Separator

Racor 110 Series Filter/Separator

Unit includes mounting head. Maximum flow rate, 35 GPH gasoline, 15 GPH diesel.

ORDER NO.	DESCRIPTION	PRICE
RAC 110	Gasoline Filter/Separator	\$124.20
	w/Metal Housing,	
	Vacuum or Pressure Application	
	U.L. Listed & U.S.C.G. Accepted	

Replacement Element For Racor 110 Series

ORDER NO.	APPLICATION/DESCRIPTION	PRICE
RAC R11T	10 Micron Element	\$21.10

Model #	110
Max. Flow Rate	15gph diesel
	35gph gasoline
Max. PSI	150
Height	6"
Width	3.2"
Depth	3.15"
Weight	1.3lbs
Element #	R10
Dirt Capacity	48.7gm
(Soft C-2A)	
Dirt Removal	96% at 2 micron
Rating	w/A.C.F.T.D.
Water Removal Efficiency	less than 10 ppm free water in effluent
A.C.F.T.D. Capacity	32gm

Racor 120 Series Filter / Separator

Unit includes Mounting Head.

ORDER NO.	DESCRIPTION	PRICE
RAC 120AS	Diesel Filter/Separator 2 micron w/ See-thru Bowl	\$107.15
RAC 120AP	Diesel Filter/Separator 30micron w/ See-thru Bowl	\$107.15

Replacement Elements For Racor 120/122 Series

ORDER NO.	DESCRIPTION	PRICE
RAC R12SUL	2 Micron Filter F/metal bowl	\$41.05
RAC R12P	30 Micron Filter	\$24.60
RAC R12T	10 Micron Filter	\$23.85
RAC R12S	2 Micron Filter	\$23.85
