

**McGard Stern Drive Lock**

Theft protection for Mercruiser and Cobra Stern Drives. McGard Stern Drive Locks are fully machined from high quality stainless steel and through hardened. This new design features a free-spinning collar that will turn if attacked by gripping tools without loosening the lock. To install, simply replace one of the nuts holding the stern drive with a McGard lock. Then tighten the lock with the special key tool provided in each set. The easy to use key tool comes in many different patterns for maximum security.

**Outboard Motor Lock**

Features a simple, one-piece design making it the easiest outboard motor lock to install. The brass lock barrel is permanently attached to the sleeve and slides in and out for ease of use. The lock also features rattle proof lining and reversible keys for easy insertion. Fits most small outboard motors up to 40HP.

- Locks the outboard motor to the boat transom
- One-piece design makes it easy to install
- Fits most small outboard motors
