Ball Valves

Forespar's MF850 series of Ball Valves are precision molded in high strength glass-reinforced Marelon®. Their great strength, light weight, and complete freedom from corrosion and electrolysis make them the ideal valve for controlling inlet and outlet water requirements above and below the waterline. Do not fail to actuate the handle and lubricate the seals on a regular schedule.

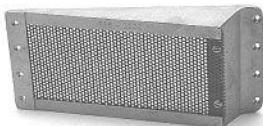

ORDER NO.	MODEL NO.	THREAD	BODY DIA.	BODY	LENGTH W/HANDLE	PRICE
FRS 905101	MF850 3/4"	3/4"	1-7/8"	3"	4"	\$41.00
